"Old Tom" was finally missed from his post; but none save young Mortimer and Mr. Eton knew whatever became of him. And while the people who remembered the beggar (for a time), were wondering if he hadn't been murdered or drowned, perhaps, "Tom Vincent" was enjoying his comforts at home, contented with his lot, and happy with his pleasant family.

AUTUMN.

BY FANNY KEMBLE.

Then comest not in sober guise,
In mellow cloak of roset-clad—
Thine are no melancholy skies,
Nor hushes flowers, pale and sad;
But, like an emperor, triumphing,
With gorgeous robes of Tyrian dyes,
Full flush of fragrant blossoming,
And glowing purp. canopies.

How call ye this the season's fall,
What seems the pageant of the year?
Richer and brighter far than all
The pomp that spring and summer wear:
Red falls the western light of day
On rock and stream and winding shore;
Soft woody banks and granite gray
With amber clouds are curtained o'er.

The wide, clear waters sleeping lie
Beneath the evening's wings of gold,
And on their glassy breast the sky
Has barks their mingled hue unfold.
Far in the tangled woods, the ground
Is strown with fallen leaves, that lie
Like crimson carpets all around—
Beneath a crimson canopy.

The sloping sun, with arrows bright,
Pierces the forest's waving maize;
The universe seems wrapped in light,
A floating robe of rosy haze.
Oh, Autumn! thou art here a king—
And round thy throne the smiling hours
A thousand fragrant tributes bring,
Of golden fruits and blushing flowers.

The following are among the distressing variety of human diseases in which the

Dyspepsia, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acid kind; Flatulence, Loss of appetite, heartburn, headache, restlessness; ILL-TEMPER, anxiety, languor, and melancholy, which are the general symptoms of Dyspepsia, will vanish as a natural consequence of its cure.

The Life Medicines have been known to cure rheumatism, permanently, in three weeks, and Gout, in half that time, by removing local inflammation from the muscles and ligaments from the joints.

Obstruction of all kinds, by freeing and strengthening the kidneys and bladder—they operate most delightfully on these important organs, and hence have ever been found a certain remedy for Gravel.

Also Worms, by dislodging from the turning of the bowels the slimy matter to which these creatures adhere.

Scurvy, Ulcers, and Invertebrate Sores, by the perfect purity which these Life Medicines give to the blood, and all the humors.

Scarotic Eruptions and Bad Complexions, by their alternate effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, yellow, cloudy, and all disagreeable complexion.

The end of these pills for a very short time, will effect an entire cure of Salt Rheum, and striking improvement is the clearance of the skin. Common Colds and Influenza will always be cured by one dose or two in the worst cases.
